

OVERVIEW

Risk Policy and Disclaimer for UzhavuMeetpu Token, Website Usage, Participants, and Investors:

I. UzhavuMeetpu Token and Website Usage :

- 01. Volatility Risk :** The value of UzhavuMeetpu tokens can be highly volatile. Investors should be aware that token prices may fluctuate significantly, and there is a risk of potential loss of investment.
- 02. Technological Risks :** The use of blockchain technology and the internet exposes UzhavuMeetpu tokens and the website to certain risks, including hacking, cybersecurity breaches, and system failures. UzhavuMeetpu takes reasonable measures to mitigate these risks but cannot guarantee the absolute security of the tokens or the website.
- 03. Regulatory Risks :** Regulatory frameworks related to cryptocurrencies and blockchain technology are evolving and subject to change. There is a risk that regulatory actions or restrictions may impact the availability, use, or value of UzhavuMeetpu tokens.
- 04. Third-Party Risks :** UzhavuMeetpu tokens and the website may rely on third-party services, platforms, or technologies. Any failure, downtime, or operational issues with these third-party providers could impact the functionality or availability of the tokens or the website.

RISK POLICY & DISCLAIMER

II. Participants of the UzhavuMeetpu Project :

01. Project Risks : Participants in the UzhavuMeetpu project should be aware that the project's success is subject to various risks, including technological challenges, market acceptance, and regulatory compliance. Participants should carefully consider these risks before engaging in the project.

02. Collaboration Risks : UzhavuMeetpu encourages collaboration and interaction among participants. However, participants should exercise caution and use discretion when sharing sensitive information or engaging in collaborative efforts to protect their interests and intellectual property.

03. Operational Risks : Participants should be aware of the operational risks associated with participating in the project, such as potential delays, resource limitations, or unforeseen challenges that may impact the project's timeline or deliverables.

III. Investors in UzhavuMeetpu Project and Token :

- 01. Market Risks :** Investing in UzhavuMeetpu tokens involves market risks, including price volatility, liquidity constraints, and market speculation. Investors should carefully evaluate these risks and consider their risk tolerance before making investment decisions.

- 02. Regulatory Risks :** The legal and regulatory environment surrounding cryptocurrencies and tokens is evolving. Changes in regulations or legal interpretations may impact the investment, use, or transferability of UzhavuMeetpu tokens.

- 03. Counterparty Risks :** Investors should be aware of the counterparty risks associated with engaging in transactions or partnerships related to UzhavuMeetpu tokens. Due diligence should be conducted to assess the credibility and reliability of potential counterparties.

- 04. Loss of Investment :** Investing in UzhavuMeetpu tokens carries the risk of potential loss of investment. Investors should only invest an amount they can afford to lose and consider diversifying their investment portfolio.

RISK POLICY & DISCLAIMER

Disclaimer:

The following disclaimer applies to UzhavuMeetpu tokens, the website, participants, and investors:

- UzhavuMeetpu tokens and the website are provided on an "as is" and "as available" basis without any warranties, expressed or implied. UzhavuMeetpu disclaims all warranties of merchantability, fitness for a particular purpose, or non-infringement.
- UzhavuMeetpu does not provide financial, legal, or investment advice. The information provided on the website or related to the tokens is for informational purposes only. Investors should conduct their own research and consult with professional advisors before making investment decisions.
- UzhavuMeetpu shall not be liable for any damages, losses, or liabilities arising out of the use or inability to use UzhavuMeetpu tokens or the website. This includes but is not limited to direct, indirect, incidental, consequential, or punitive damages.
- Participants and investors acknowledge and assume all risks associated with their involvement in the UzhavuMeetpu project and investment in UzhavuMeetpu tokens.

This risk policy and disclaimer outline the specific risks associated with UzhavuMeetpu tokens, website usage, participants of the project, and investors. Users, participants, and investors are advised also to read and understand the terms and conditions attached in the website, thoroughly before engaging with UzhavuMeetpu.
